# Inspired by Nature

Wilsonart® brings inspired elements from the most stunning places on Earth to create spaces of calm, comfort, and beauty in the home.

W7036 Calacatta Statuario  
 V018 Rift Cut Maple Natural  
 Q4032 Haldi  
 9207CS Flint Rock  
 Y0514 Tweedish Indigo

## Bold Simplicity

This selection of materials takes inspiration from nature to achieve calming, signature spaces within the home. Trends show us that warm and cool color mixes are crucial for this selection's unique neutral look.

Wetwall™ **Calacatta Statuario** offers the perfect complement to a neutral space. It maintains a bold statement for décor yet remains neutral and subdued with a beautiful palette of crisp white and varying grey tones.

Using Wilsonart® Solid Surface **Flint Rock** as a shower bench top can add a modern "concrete" look to a neutral bathroom space.

When used as a countertop, Wilsonart® Quartz **Haldi** complements the grey tones in Calacatta Statuario while adding warmth through gold veining and the wood veneer's natural maple coloration.

When used for cabinetry or passage doors, New Leaf™ Performance Veneer **Rift Cut Maple** in a natural color helps strengthen the warmth offered by wood tones while maintaining the bold beauty of Calacatta Statuario. Rift Cut Maple can also add to a space's overall look and promote a simplicity that soothes.

To complete a neutral, peaceful look, Wilsonart® Virtual Design Library **Tweedish Indigo** can be used as interior cabinetry material. This is a welcomed level of detail within a home that offers calming simplicity.

# Updated Traditional

This sophisticated material palette acknowledges the aspirational popularity of marble while conforming gracefully to several home styles such as traditional and transitional, as well as industrial and urban farmhouse.

Italian marble with a dense, small grey vein structure, Wetwall® **Torrone Marble** provides an elegant balance of complement and contrast.

The classic black and white color combination is updated with Wilsonart® Quartz **Enchanted Rock**, a warm black quartz design, and Wilsonart® Solid Surface **Midnight Melange**, a subtly colorful solid surface.

The natural color of New Leaf™ Performance Veneer **Plain Sawn Cherry** allows for warmth to enter your space and beautifully accommodate the styles mentioned above.

Wilsonart® Virtual Design Library **Nuvo Deco** can be used on the walls, adding a stylish panache to a traditional tonal grey design palette.

- W7008 Torrone Marble
- V003 Plain Sawn Cherry Slip Match Natural
- Q4041 Enchanted Rock
- 9091ML Midnight Melange
- Y0688-60 Nuvo Deco

W7042 Legacy Ash  
 V033 Quarter Sawn White Oak Slip Match Natural  
 Q4045 Hamoa  
 9208CS White Stone  
 Y0769-60 Dream Weaver Natural

# Casual Coastal

Interior spaces play a pivotal role in how we feel on a daily basis. This collection of materials has the power to invigorate, soothe, and remind us of our favorite places in nature.

Wetwall™ **Legacy Ash** calls upon the pleasant elegance of weathered wood or driftwood with its cool grey coloration and warm accents.

When combined with Legacy Ash, New Leaf™ Performance Veneer **White Oak** quarter sawn veneer and Wilsonart® Virtual Design Library **Dream Weaver** present colors derived from natural fibers and nature's textural elements. These three materials help inspire a casual, calming environment.

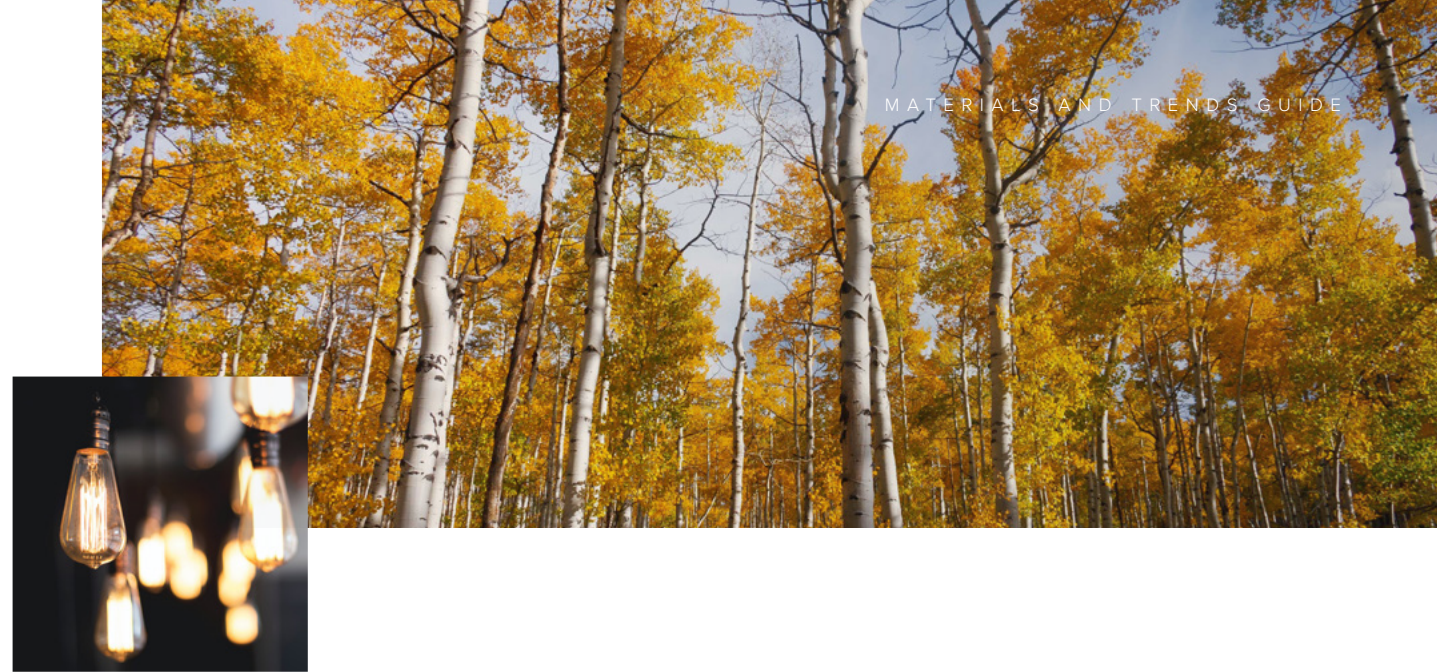

As a countertop, Wilsonart® Quartz **Hamoa** takes inspiration from the bubbly wake of waves on the sands of an untouched beach.

Wilsonart® Solid Surface **White Stone** joins all of the colors together and works perfectly when installed as a shower bench or custom floating wall shelves.

W7028 Cosenza  
 V015 Quarter Sawn Birch Bookmatched Slate  
 Q4011 Arashi  
 9201GS Hot Stone  
 Y0681-60 Whitewashed Brick

# Industrial Styling

Modern industrial touches can be added to any space to give it depth and complexity, no matter the style. Just like antiques or weathered materials, industrial textures can convey a sense of history, and therefore a comfortable, casual vibe.

Wilsonart® Virtual Design Library **Whitewashed Brick** creates a bold contrast with the sleek New Leaf™ **Quarter Sawn Birch**, allowing both elements to boldly stand out while working perfectly together. One adds an interesting texture to a focal point wall, while the other adds a streamlined element to the cabinetry.

Wetwall™ **Cosenza** has a connecting element allowing for maximum coordination within the space. Wilsonart® Solid Surface **Hot Stone** punctuates the shower as a bench that coordinates perfectly with the Quarter Sawn Birch cabinets.

Wilsonart® Quartz **Arashi** delivers a clean and bright vanity top, helping develop a clean, comfortable airiness that ties it all together.
